### JACK AND THE BEANSTALK

Once upon a time there was a boy called Jack. He lived with his mother. They were very poor. All they had was a cow.

One morning, Jack's mother told Jack to take their cow to market and sell her. On the way, Jack met a man. He gave Jack some magic beans for the cow.

Jack took the beans and went back home. When Jack's mother saw the beans she was very angry. She threw the beans out of the window.

The next morning, Jack looked out of the window. There was a giant beanstalk. He went outside and started to climb the beanstalk.
